## 6. Troop trains listed in railroad records between 25 and 28 January included:

<u>Date in January</u>	<u>Composition of Troop Trains</u>	<u>From</u>	<u>To</u>		
25	13 CB, 2 B, 32 F	Jueterbog-Altes Lager	Velten	6	25X1

## 7. On 23 January, 6 flatcars with one M-3 armored personnel carrier each were observed at the head ramp of the Bernau freight station. Some of the cars were canvascovered. The vehicles probably were to be unloaded.

1. Comment. The composition of the shipments indicates an operation in connection with the reequipping of AT artillery units. Further information is required whether the 75-mm AT guns reported in paragraph 2 actually were of this caliber or 85-mm AT guns. 25X1
2. Comment. The shipments belonged to the 9th Gds Tank Div, components of which, on 17 January, moved from Neustrelitz to Altengrabow on the troop trains [redacted] and, on 23 January 1954, returned to Neustrelitz on the troop trains [redacted]. The troop trains [redacted] from Fuerstenberg to Altengrabow on 19 January, [redacted] from Altengrabow to Fuerstenberg on 21 January, and [redacted] from Altengrabow to Fuerstenberg (not to Neuruppin) on 23 January 1954, also belonged to this movement and probably carried elements of the 33rd Gds Mtz Rifle Regt. 25X1
3. Comment. [redacted] the troop trains [redacted] were dispatched from Neuruppin, [redacted] referred to [redacted] has to be corrected as these troop trains probably did not belong to the troop movement of the 9th Gds Tank Div but to the 12th Gds Tank Div. On 18 January 1954, components of this division moved from Neuruppin to Altengrabow and, on 22 January 1954, a contingent of the 12th Gds Tank Div returned to Neuruppin on the troop train [redacted]. 25X1
4. Comment. The troop trains carried the 6th Arty Div and 25th Gds RL Brig which returned to Rathenow from firing practice at Altengrabow. [redacted] The pertinent operation consisted of a continuous movement of 11 troop trains [redacted]. 25X1
5. Comment. [redacted] the ammunition was consigned to Soviet units. 25X1
6. Comment. The information confirms the troop train [redacted]. 25X1
